## Bringing PB Back to India

Over the winter, Micha-El & Gran Berkowitz spent 10 weeks traveling in India to visit the places and spiritual centers that were important to PB. They had a wonderful meeting with Sri Ganeshan, the great-nephew of Ramana Maharishi and former President of the Ramana Ashram. He expressed the following about PB:

*“Arunachala gave Maharishi the task of spreading the truth of the I AM all over the world. How could this happen when he himself would not ever move an inch from Arunachala?”*

*The Maharishi was determined to give his everything to Paul Brunton because Maharishi’s teaching had to spread everywhere.*

*Paul Brunton threw open the doors for seekers all over the world to know that there is light.”*

During their travels, many unexpected blessings and opportunities arose and many possibilities for the revival of PB’s work and legacy there. They gave talks to 250 people, and donated sets of **The Notebooks of Paul Brunton** to eleven libraries. Micha-El & Gran realized that although PB was still fondly remembered and respected, most of his books after *A Search in Secret India* were no longer known. Through the continuing work of our PB ambassadors, the PBPF will be able to reintroduce the breadth of Paul Brunton writings to India.

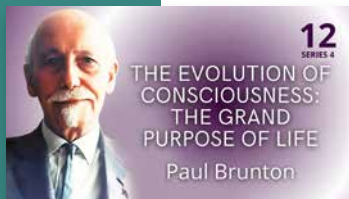

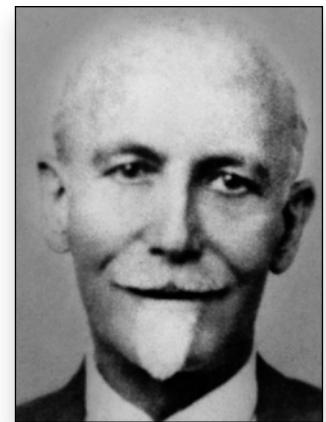

## Meeting Peace with PB

*by Paul Cash*

*“One day, from deep within the inner safe [deep in my heart space], a saturating feeling emerged, infinitely rich and infinitely desirable, magnificent and deeply satisfying in its own right. It pervaded all I felt to be me and all I felt to be around me, and resonated with the inner lining of PB’s space. At first it was almost blinding; but soon a great clarity prevailed: everything, including me, became clear and vivid and more present, more immediate than I had seen or heard through the screen/veil/barrier of my thoughts.”*

## Paul Brunton Explains the World’s Perennial Wisdom

We have now completed this 12-part series of in-depth teachings that includes PB’s essay on the “Evolution of Consciousness: The Grand Purpose of Life,” PB’s Mentalism, and the Philosophic Sage. See the **Quest Video Series #4** here:

## The Dangers of Psychic Phenomena on the Spiritual Quest

This beautiful video of PB teachings informs and warns spiritual aspirants about the byways of occult experiences that arise on the spiritual path.

## The PB Archive Is Still Seeking Original Material

Both the online PB Archive ([www.PBarchives.org](http://www.PBarchives.org)) and the physical PB Archive at Cornell University are quite extensive. Even so, we are confident that there are additional materials not yet archived that would be valuable contributions to this collection. We would greatly appreciate having them for safe keeping for future generations in Cornell's climate-controlled facility.

These include articles, essays, short quotes, letters—any pertinent writing by or about PB. Ideally, we would like original materials to put in the physical archive; or, if you prefer to keep your originals, we would welcome copies to place in the digital archive.

If you have questions about an archive contribution, please contact the PBPF ([info@paulbrunton.org](mailto:info@paulbrunton.org)) or board member Louis DeSarno at [desarno@htva.net](mailto:desarno@htva.net). Thank you for your help with this project.

*Your interest in the Foundation's work is deeply appreciated.*
